SKILLS

React, JavaScript, Python, Flask, SQLAlchemy, Sequelize, Postgres, Redux, TDD, HTML5, SQL, Nodejs, Express

PROJECTS

The Stonks

[live](#) | [github](#)

Clone of Robinhood (React, Redux, Python, Flask, SQL)

- Processed and displayed real-time stock data using the finnhub API to fetch the most recent data.
- Generated a sleek highly responsive design using modals and transitions in CSS.
- Created a custom search using redux

mood

[live](#) | [github](#)

Organize and play music sorted into custom lists(React, Redux, Python, Flask, SQL).

- Utilizing flexbox, manipulated dom elements to maintain the use of whitespace.
- Built a completely dynamic site by refactoring Redux reducers to allow for a centralized and consistent website.
- Maintained Redux with HTML5 media web components to create media playback for each user.

Udderly Forgetful

[live](#) | [github](#)

Clone of Remember the Milk (React, Redux, Javascript, Express, SQL)

- Implemented a centralized application-level state object to allow for dynamic rendering of state elements in response to real-time user input.
- Incorporated user authentication using backend csrf protection, express-validator, and bcrypt for password hashing.
- Managed CRUD through custom transactional database operations using Active Record and Postgres.

EXPERIENCE

Sales Representative

24 Hour Fitness (Janurary 2017 - September 2018)

- Identified and accurately assessed customer desires in order to find the plan that best suited them.
- Created new accounts and update existing ones.

Driver

Dominos (March 2017 - September 2021)

- Profound knowledge of traffic laws, safety standards, and company policies.
- Maintained excellent relationships with all of the management staff.
- Effectively and efficiently worked in a fast-paced and high-stress environment.

EDUCATION

App Academy - Full-Stack Software Engineering Program(Full-Time)

Course work towards BA Psychology - California State University San Marcos | 2019

AA Education Psychology - MiraCosta College | 2016 - 2018
